## Sample Exit Interview Questions

Employers ask exit interview questions verbally or in questionnaire form. These days, it is not uncommon for exit interview questions to be in electronic questionnaire form on computers.

Responsible employers will use this information to improve their recruitment and retention policies. However, some believe this information is solely captured in case of future litigation from the ex-employee. It is for this reason that advice differs on how to handle an exit interview well.

Listed below are samples of the types of exit interview questions that employers commonly ask departing employees.

- What is your primary reason for leaving?
- Did anything trigger your decision to leave?
- What was most satisfying about your job?
- What was least satisfying about your job?
